Hey Church!

Psalm 20:7
[7] Some take pride in chariots, and others in horses,
but we take pride in the name of the Lord our God.

I know there are many people disappointed in the election, BUT. But if have found yourself distraught about a political outcome, you need a reminder from scripture. We will never find true and lasting joy in anything or anyone besides the Lord. Two weeks ago, I shared that I was a one issue voter, life! For many people in this world, and particularly people that have the same political persuasion as I do, that issue isn't enough to earn a vote.I am not offended by that in the least.I do fear that with the sea change in Austin, we might see the purpose of the ordinance that we led to enact, banning abortion providers from setting up shop in San Angelo, TX, but the call of the King to serve in the Kingdom and to reach people for the Kingdom is still in force.

If we find our identity in things of this world and find our inner self worth, or pride, in things of the world, we will always be disappointed. We will never find disappointment in our source of joy and pride if it is in the Lord God. We need to honor and pray for our new senator and governor. Pray for their salvation and pray that those who serve in government follow Christ and are obedient to the Word of God to be slat and light as they lead.

Fear not, God is on the throne!

Pastor Ryan
