Hello church. I would like to share about a couple of important things that have been going on with ministries IBC is connected to. But first, thank you for all you did to make the Fall Festival such a success. We estimate that we had between 1100 and 1200 attend the event and I know it blessed the staff and families of Reagan Elementary. However, with the numbers we saw, the event touched more than just Reagan. Also, thank you to the volunteers who stepped up to help our last-minute plan to give 500 plus packages of chicken, beans, and rice out to needy families. It was wonderful to see the look on the faces of so many parents as they were able to supplement their own food budget with our gift.

Today the staff and I attended two important events. First, we attended the first annual Fresh Start benefit lunch at the McNeece Convention Center. This was an event to raise awareness and money for Fresh Start. Fresh Start is a faith-based recovery and restoration ministry for women and children in need. 100% of the women Fresh Start brings into their home have experienced some form of sexual abuse and many have lost their families and have experience addiction. We learned that the success rate of the ladies who complete their biblically based program produces far greater outcomes than the national average. I will be formally asking our Missions Team to enable IBC to become a monthly supporter. Also, I hope to find ways to better support this vital ministry on the north side of our county. Fresh Start ladies and their director, Cecilie Miller, aka “Momma C,” are integral volunteers in our Celebrate Recovery Ministry.

Next, the staff and I attended the Open House for the new STD Clinic, a ministry of the Pregnancy Help Center of the Concho Valley. Many of you are familiar with the Pregnancy Help Center, as you volunteer there and many of you attend their annual fundraising banquet. I serve on the board of the PHC, and I have been overseeing the remodeling of the former Planed Parenthood building on Pecos St. The construction is complete, and we plan on having a grand opening of the new Sexual Health Clinic in January. Please be praying the Lord would bless and expand this important ministry and Fresh Start. We are fortunate to have such strong faith based and biblically grounded ministry partners that reach the “least of these” in our community.

Pastor Ryan
