BE THE LIGHT

IBC Mission Statement: Engaging our community and the world with the Gospel, ministering to the broken, and developing followers of Jesus!

Dear Church family,

This Sunday we will turn to the second section of Acts 17 and examine the famous sermon that the apostle Paul preached on Mars Hill in Athens. Paul addresses a very important aspect of everyone's life. Everyone worships something. The focus of our worship will determine the meaning of our lives. What is it in your life that if you lost it would cause you to say, "my life is no longer worth living." The answer to that question will expose the deepest desire of our hearts.

Ryan Buck
Next Week:

We are constantly tempted to make good things the greatest thing. That is the danger of idolatry. We are made to worship but there is only one object of our worship that will fill the need we have for worship, the Creator God. Is Christ the most that matters to you? Let's look at that question together Sunday.

We will also learn about our calling to engage the culture, rather than retreat from it.

It's going to be a great Sunday!

See you Sunday,

Pastor Ryan
